Please find below and/or attached an Office communication concerning this application or proceeding.

Response to Applicant's Amendment

The amendment and remarks filed on Sept. 3, 2004 is not fully responsive to the prior Office action because of the following omission(s) or matter(s): the Applicant's reply does not comply with 37 C.F.R. 1.111 (b) because previously presented claim 57 refers to claim 55 which contradicts the statement made on the aforementioned amendment and remarks on page 11, last paragraph: "...claims 57-61, depending from claim 56..." and, presently presented claim 51 refers to claim 49, which contradicts page 11, last paragraph: "...claims 51-55, depending from claim 50...". Correction is requested. Also, on page 17 of the specification, line 13, Fig 2 does not have a "negative one" as stated; this appears in the Table 2 on page 20 of the specification. Please clarify the relationship between the dollar amounts and -1 and +1. Following the zero sum reasoning, this would be a negative (\$165) as in Fig 2. Examiner perceives two parallel zero sums: first, the dollar amounts "netting" to zero; and the -1 and +1 numbers for "value amount" and "total" in Table 2 and Table 3 possibly "netting" out to zero as well. Clarification is requested. See 37 C.F.R. 1.111(b). Since the above-mentioned reply appears to be *bona fide*, applicant is given a time period of **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. Extensions of this time period maybe granted under 37 CFR 1.136(a).

This action is **NON-FINAL**. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Steven R.
